

African American Achievement Plan 2022-2023

Assurances of Implementation of Strategies/Action Steps

Quarter of the School Year: 3

District Office/Department: Communications

In September 2022, the School District of Indian River County initiated the implementation of the 2022-2023 African American Achievement Plan. To review and ensure compliance with progress of action steps associated with the African American Achievement Plan, the District provides quarterly updates related to action steps accomplished and quarterly outcomes.

The attached documentation provides school level evidence of progress towards accomplishing action steps incorporated into the 2022-2023 African American Achievement Plan. Documentation requirements have been designed to honor the full intent of the developed African American Achievement Plan while optimizing the efficiency and effectiveness of outlined actionable steps.

To support ongoing accountability of action step implementation, documentation, and progress the following assurances have been verified by the principal/supervisor of each school/location:

- Action steps included within the 2022-2023 African American Achievement Plan have been implemented with consistency and purpose to eliminate the achievement gap.
- Progress related to action steps has been monitored at designated intervals (e.g., monthly, quarterly) outlined in the African American Achievement Plan.
- Data reviews have been conducted to identify areas of strength and concern and disaggregated data will be provided upon request.
- Progress related to the elimination of the achievement gap has been monitored in an ongoing way and needed modifications have been made as identified.

These assurances have been reviewed and verified on March 29, 2023: ____CM____ (initials)

Quarterly Reflection

(Please summarize any reflections based upon action step implementation for the quarter. What are areas of progress or opportunities for growth? What are next steps based upon work accomplished?)

The Department of Communications will continue to work with SAAA to update "The Champions List" as necessary and advertise to our community on school and district websites, galleries, and social media platforms.

Champions List

SDIRC Extracurricular Programs

The Champions List is an extracurricular guide outlining academic and athletic extracurricular programming available at each school location. The Champions List supports compliance with F.S. 1014.05 (e) Procedures, pursuant to s. 1006.195(1)(a), for a parent to learn about the nature and purpose of clubs and activities offered at his or her minor child's school, including those that are extracurricular or part of the school curriculum.

COMPUTER CLUB

Students will learn keyboarding skills through various keyboarding programs.

CIVICS CLUB

The mission of Civics Club is to engage students in supporting the school through Safety Patrol (guidance/support student safety), Student Council (student governing/leadership body), and Community Service (recycling, adopt-a-highway, & stashing the trash in the surrounding community).

CODING CLUB

Students will learn about coding for 21st Century skills that support Computer and Engineering fields of study.

ART CLUB

Students participate in Art Club before school for one grade level to explore different methods to design and create.

MUSIC CLUB

Students sing/play instruments and participate in school and community events outside of the regular school day.

GARDENING CLUB

Students learn about planting, maintaining, and caring for plants to beautify our school community.

GIRLS ON THE RUN

Girls on the Run is an evidence-based, physical activity-based program for girls in grades 3-5. During the program, girls learn specific skills and strategies such as how to manage emotions, help others, make intentional decisions, and resolve conflict.

TRACK TEAM/BASKETBALL TEAM

Approximately thirty 3rd, 4th, and 5th graders participate in training to compete in the district track meet and basketball tournament.
