

## African American Achievement Plan 2022-2023

### Assurances of Implementation of Strategies/Action Steps

**Quarter of the School Year: 3**

**School: Fellsmere Elementary**

In September 2022, the School District of Indian River County initiated the implementation of the 2022-2023 African American Achievement Plan. To review and ensure compliance with progress of action steps associated with the African American Achievement Plan, the District provides quarterly updates related to action steps accomplished and quarterly outcomes.

The attached documentation provides school level evidence of progress towards accomplishing action steps incorporated into the 2022-2023 African American Achievement Plan. Documentation requirements have been designed to honor the full intent of the developed African American Achievement Plan while optimizing the efficiency and effectiveness of outlined actionable steps.

To support ongoing accountability of action step implementation, documentation, and progress the following assurances have been verified by the principal/supervisor of each school/location:

- Action steps included within the 2022-2023 African American Achievement Plan have been implemented with consistency and purpose to eliminate the achievement gap.
- Progress related to action steps has been monitored at designated intervals (e.g., monthly, quarterly) outlined in the African American Achievement Plan.
- Data reviews have been conducted to identify areas of strength and concern and disaggregated data will be provided upon request.
- Progress related to the elimination of the achievement gap has been monitored in an ongoing way and needed modifications have been made as identified.

These assurances have been reviewed and verified on March 31, 2023: RJEM

#### **Quarterly Reflection**

(Please summarize any reflections based upon action step implementation for the quarter. What are areas of progress or opportunities for growth? What are next steps based upon work accomplished?)

**FES** still has ALL its 25 African American Students participating on the successful Peer 2 Peer Program where IB students (26 of them) from SRHS become mentors to FES students on every Friday of the week during the school year. Today will be the last Friday for this mission since April 7 is Good Friday and there will be no students.

Students and mentors will have an opportunity to reflect about their experience, what they have learned, and setting goals for next school year. The program focuses on Social Emotional Learning, Academics, Problem Solving Skills, and Attendance issues. This interaction motivates **FES** students to better themselves and increase their desire to belong to our learning institution, **FES**. Also, it has inspired SRHS students to experience their impact and contribution with elementary students.

Communication is always improving at **FES** and a never-ending mission. Welcoming phone calls and visits home will be our best approach as **FES** reaches to African American parents to address any issues and/or celebrate moments of success.
