¹ High school graduation year = the year in which the student graduated from high school. For example, a student who graduated between September 1, 2017 and August 31, 2018 graduated in the 2017-2018 academic year.

² Home-educated students who were unable to document a college-preparatory curriculum and wished to earn an FMS award, had to earn a 1070 SAT or 23 ACT prior to 2013-14; and earn a 1220 SAT or 27 ACT for 2013-14 and 2014-15. Beginning with the 2015-16 high school graduates, all home-educated students must earn an 1170 SAT or a 26 ACT for FMS and a 1290 SAT or 29 ACT for FAS award. High school transcripts are not required for home-educated students graduating 2015-16 and thereafter.

³ Extended hours of funding are available to FAS and FMS recipients in a single program of study requiring more than 120 hours.

⁴ FAS & FMS scholars completing a baccalaureate degree in 2010-11 or later within 7 semesters (or equivalent hours) or fewer, may receive one term of graduate funding, up to 15 semester hours, paid at the undergraduate rate.

⁵ Beginning with the 2016-17 high school graduates, students who earn a Gold Seal CAPE (GSC) award and attain an AS or AAS degree may receive an additional 60 hours of funding toward a qualifying BS or BAS degree program.

⁶ Exception to the maximum number of years to begin receiving funding is made for students who are active military or those engaged in a religious or service obligation.

⁷ For students graduating high school in 2010-11 and thereafter, if annual renewal requirements were not met due to a verifiable illness or other documented emergency (as reported by the postsecondary institution), an exception of one academic year to the renewal timeframe may be granted if a course of study is not completed after five academic years.
