Quarter of the School Year: 1

School: Rosewood Magnet School

In October 2023, the School District of Indian River County initiated the implementation of the 2023-2024 African American Achievement Plan. To review and ensure compliance with progress of action steps associated with the African American Achievement Plan, the District provides quarterly updates related to action steps accomplished and quarterly outcomes.

The attached documentation provides school level evidence of progress towards accomplishing action steps incorporated into the 2023-2024 African American Achievement Plan. Documentation requirements have been designed to honor the full intent of the developed African American Achievement Plan while optimizing the efficiency and effectiveness of outlined actionable steps.

To support ongoing accountability of action step implementation, documentation, and progress the following assurances have been verified by the principal/supervisor of each school/location:

- Action steps included within the 2023-2024 African American Achievement Plan have been implemented with consistency and purpose to eliminate the achievement gap.
- Progress related to action steps has been monitored at designated intervals (e.g., monthly, quarterly) outlined in the African American Achievement Plan.
- Data reviews have been conducted to identify areas of strength and concern and disaggregated data will be provided upon request.
- Progress related to the elimination of the achievement gap has been monitored in an ongoing way and needed modifications have been made as identified.

These assurances have been reviewed and verified on November 17, 2023: AF (initials)

Quarterly Reflection

(Please summarize any reflections based upon action step implementation for the quarter. What are areas of progress or opportunities for growth? What are next steps based upon work accomplished?)

Moving into Phase two of the School Improvement Plan, students will continue to be monitored through weekly MTSS meetings, biweekly grade chair meetings, and leadership meetings. Power BI is utilized daily for guide planning and make instructional decisions. Half day teacher planning has been scheduled for the month of November to dive deeper into student work and instructional planning. African American students will be a continued priority along with all our other students. Teacher training and A2 tutoring will continue into the second semester connected to the SIP.
