Quarter of the School Year: 3

To review and ensure compliance with progress of action steps associated with the African American Achievement Plan, the District provides quarterly updates related to action steps accomplished and quarterly outcomes.

The attached documentation provides school level evidence of progress towards accomplishing action steps incorporated into the 2023-2024 African American Achievement Plan. Documentation requirements have been designed to honor the full intent of the developed African American Achievement Plan while optimizing the efficiency and effectiveness of outlined actionable steps.

To support ongoing accountability of action step implementation, documentation, and progress the following assurances have been verified by the principal/supervisor of each school/location:

- Progress related to action steps has been monitored at designated intervals (e.g., monthly, quarterly) outlined in the African American Achievement Plan.
- Data reviews have been conducted to identify areas of strength and concern and disaggregated data will be provided upon request.

Quarterly Reflection

(Please summarize any reflections based upon action step implementation for the quarter. What are areas of progress or opportunities for growth? What are next steps based upon work accomplished?)

During Quarter 3, we continued to use data from various assessments to create small groups and tiered instruction with a focus on students' needs. Literacy Support groups were created to give students support during Tier 2 instruction. Cultural Arts teachers have created to build habits of success and relationships. Research based strategies are being used for student engagement and teacher monitoring. Teachers have also implemented differentiation strategies to provide more targeted instruction.
