**For the following tables:** Each year, performance on Unit Assessments is analyzed in comparison to achievement on the statewide assessments in each subject area. While it depends on the grade level and subject area, typically a Unit Assessment Weighted Average score of between 55-65% correlates to a level 3 on the statewide assessment.

Unit Assessments – English Language Arts by Race Percentage of Students Performing at 55%+ Retrieved 3/23/21, Source: Performance Matters
