

January 13, 2020

To the Parents of _____

Your child is invited to attend: READING (1 day) MATH (1 day) READING AND MATH (2 days)

We will begin our Extended Learning Opportunity for 3rd, 4th, and 5th grade students during the week of February 3, 2020. We would love for your child to attend to get an extra hour of math and/or reading **one or two days** a week to support their learning and enhance skills and strategies before their Florida Standards Assessment later in the spring.

We are offering the ELO four days of the week. If your child is currently a bus rider, they will have transportation provided on Tuesdays and/or Thursdays. All other students will need to be a car rider. If your child is a car rider, you can select the days based on your schedule. If your child will need transportation, they will only be allowed to attend Tuesday and/or Thursday, depending on the subject.

-----**Please Return by Friday, January 17, 2020**-----
