

## **VBHS Enrichment Opportunities for African American Students**

Vero Beach High School will meet with district personnel to discuss offering advanced curriculum to African American students. The meeting is set for April 23<sup>rd</sup> at 10:00 am. A school-based follow up meeting to discuss data will take place afterwards. It will include guidance, administration and guidance counselors. Participants will examine unit assessments, course grades, and previous test scores to identify African American students that have the potential to excel in advance courses. Remediation and course recovery will continue both after school and during school hours.
