

VBHS Data Chat Records

Data regarding student performance on unit assessments is discussed throughout the school year. Data is discussed amongst administration, amongst department chairs, and by department. It is also discussed at faculty meetings and shared electronically.

Administrative

Data is reviewed with the administrative team on a weekly basis. Administrative data reviews have been held on January 13th, January 27th, February 3rd, February 10th, February 24th, March 2nd, and March 9th.

Department Chairs

Data is reviewed at all department chair meetings. This year's meetings have been held on January 14th, February 11th, and March 10th.

Departmental Meetings

Once department chairs have had an opportunity to discuss and disseminate data with administration and other school-based leaders, data is shared with teachers departmentally. While the dates of these meetings differ by department, each is held within one week of the department chair meetings.

Additional Data Review

Additionally, the Principal sends out weekly updates to the entire faculty as provided by the district office. This information is presented electronically and discussed at monthly faculty meetings. Administration also discusses data at pre and post conference meetings with individual teachers.
