

Pelican Island Elementary School

Faculty Meeting/Data Chat

April 20, 2020

Agenda:

- Ideas to motivate students who are struggling
 - o Star Student of the Week
 - o Positive Office Referrals
 - o Grade Level Incentives Menus
- Data Review – What Students Need Additional Support?
 - o Survey Monkey: <https://www.surveymonkey.com/r/T6HPLFJ>
 - You will be asked to tier your students: ones being successful, ones who need a little extra push, and ones who need more intense support. Please ensure by the end of the survey ALL students on your roster are accounted for. Please list the students in your class that are being successful with digital learning:
 - Please list the students in your class that could be doing a little better in digital learning, but you think the menu of incentives will help:
 - Please list any student who is not being successful with digital learning, and you think they will need more than what the incentives menu will provide. Please give details about your concerns:
 - Any other comments, questions, concerns, or celebrations to share?
 - o Results of surveys reviewed with ESE/SS team. All students of concern (42) will be assigned a mentor/additional layer of support effective 4/21/20.
