

1.17 Data Chats on Early Warning Indicators

Grade levels meet with assigned administrator weekly to monitor the success of students in each of the categories listed below. The data reviewed rotates each week: Reading/ELA, Math, Science and Social Studies.

Agenda:

1. Good Things
2. Announcements/Questions
3. Standards: Next Week
4. Data
 - a. Proficiency
 - b. African American Students Proficiency
 - c. SWD Proficiency
 - d. BQ Proficiency

Concerns

Next steps for students who are not demonstrating mastery through the assessments include: repeat assignment, individual student conference, administrator conference, and parent conferences as needed.
