

Pelican Island Elementary School

Grade Level Data Chats

Week of 5/7/20 during grade level meetings:

- What students are finding success with digital learning? (298/311)
- What students are struggling with digital learning? (13/311)
- What supports are needed to help struggling students?
 - o 1:1 video conferences have been helpful for reteaching opportunities
 - o coaching for parents/families in ways to support
- Check in on the 42 students who were assigned a mentor for digital learning in February (38/42 have made significant progress)
