4th Quarter Responsive/Non-Responsive students

We have zero students who have been completely unresponsive throughout the entire 34 school days we have been on the IPP.

I'm about to send you another report for the AAP, but wanted to share this info. Aleah Hilliard is HHB. Every other student or student's parent has been in contact with staff at least once. Most of these names you will recognize from MTSS. I think we've done a pretty good job keeping 920 students engaged.
