

SGMS – 1.19 Ensure African American students who have not met course requirements for graduation are participating in "in- school" credit recovery classes to recover failed core courses and raise grade point averages to meet graduation requirements.

- 7 – 7th grade students are currently enrolled into a class period for course recovery
- 9 – 8th grade students are currently enrolled into a class period for course recovery
- Students are offered 1:1 support through teachers and mentors through crossover mission

Since we have been in online learning the numbers are the same. Additional supports are:

- Teachers have called each student/guardian weekly (minimum)
- Counselors have called each student/guardian weekly (minimum)
- Administration has called student/guardian bi-weekly as a check in
