

SGMS – 1.19 Ensure African American students who have not met course requirements for graduation are participating in "in- school" credit recovery classes to recover failed core courses and raise grade point averages to meet graduation requirements.

- 7 – 7<sup>th</sup> grade students are currently enrolled into a class period for course recovery
- 9 – 8<sup>th</sup> grade students are currently enrolled into a class period for course recovery
- All 7<sup>th</sup> & 8<sup>th</sup> grade students who need to make up a course are enrolled during the school day
- Students are offered 1:1 support through teachers and mentors through crossover mission

Since we have been in online learning the numbers are the same. Additional supports are:

- Teachers have called each student/guardian weekly (minimum)
- Counselors have called each student/guardian weekly (minimum)
- Administration has called student/guardian bi-weekly as a check in
