

FES- Weekly Grade Level Meeting Agenda

Purpose:

Administration, Coaches, and Teachers will work together to plan appropriate lessons for all students, while problem solving with the team to determine which students need support beyond what works for the majority of students. Students will be discussed, and provided support in the way that is most appropriate for their needs

1. What worked last week? What needs to be tweaked or continued for student success?
2. What standards will be addressed this week?
3. What resources are needed?
4. How can we support students that are not successful with your current teaching model?
5. Deep student analysis:
 - a. Who is unresponsive?
 - b. Assignment failures?
 - c. ESE support
 - d. Behavioral Support- Williams
 - e. Home visit report

Data collected and reported in meeting minutes and on the "Student Information" Sharepoint document.
