## OMS AFRICAN AMERICAN ACHIEVEMENT PLAN

**1.36 Create procedures to ensure an equitable representation of African American learners in recognition ceremonies (e.g. including AP, IB and Industry Certification students).**

MAY recognitions have been very rewarding. Not only did we make a plan to visit homes and present students with recognition, but students were mailed certificates, and social media WILDCAT SPOTLIGHTS were posted.

Plans for our 8<sup>th</sup> grade students include a CELEBRATION for ALL students on May 28<sup>th</sup>. All 86 African American 8<sup>th</sup> grade students will be recognized for their effort and achievement. Attendance awards, achievement awards, teacher spotlight awards, as well as 8<sup>th</sup> grade graduation BELIEVE in BLUE certificates will be distributed.

**You Can't Hide That Wildcat Pride**
