Dear Parents:

Your child \_\_\_\_\_ has been recommended by his/her teacher to participate in a small group focusing on social skills. Social skills are socially acceptable behaviors, which are learned and allow the child to interact with other people in a positive way.

The social skills group will meet on a weekly basis for approximately 30 minutes. Some of the skills that the students in the group will learn include friendship making skills, anger management skills and skills for dealing with stress.

If you wish for your child to participate in the social skills group, please complete the bottom portion of this letter and return to your child's teacher.

If you have any questions, please feel free to contact either your child's teacher or me at 772-564-5970.

Sincerely,

Rachel Williams  
Behavior Intervention Specialist
