

# **Random Acts of Kindness Week!**

Before we begin, take 3 minutes for random acts of kindness. Write a postcard to a teammate, a colleague, a parent, and/or a student to express gratitude, acknowledgement of effort, or pride.

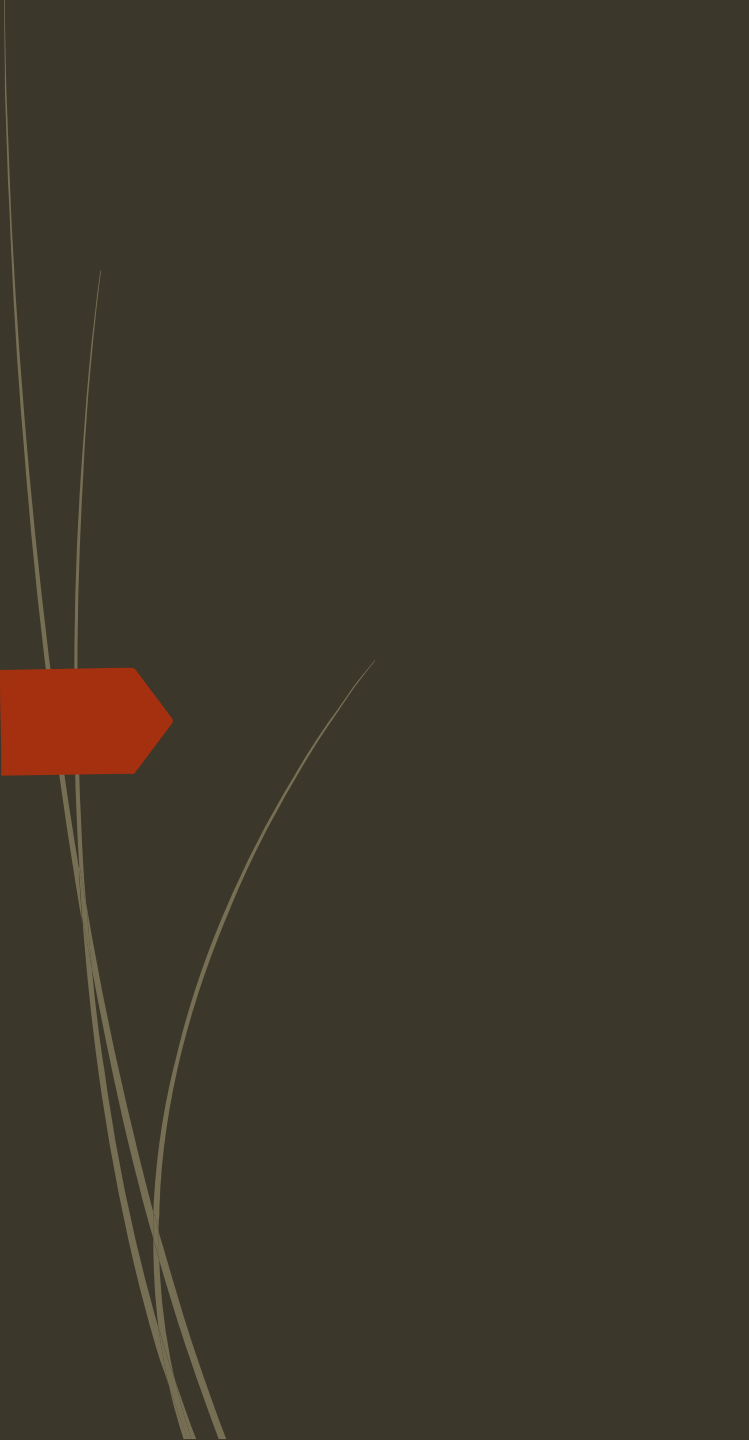

**\*\*** If you do this with students today, please text pictures to Moree!

772-713-6096

Take your graphic organizer and transition to the strategy you implemented.

Take 5 minutes to share your notes Round Robin style. Add notes to the last section of your organizer.

## Chapter 3- Engaging for Positive Climate

Partner up with someone  
at your section that is  
not in your  
grade/department.

You have 5 minutes to  
create an advertisement  
that "sells" your strategy.  
Why is it the best? Why  
should we all try it?  
Create a visual ad and  
be prepared to share it.

Get into groups of 6. Share your ads one at a time. Determine which ad was most persuasive. Winner goes on to the next pair to sell the strategy. The other pairs become the audience and judges. Continue until we have narrowed it down to the most persuasive ad for a strategy to engage for positive climate.

Wednesday, March 11

# Chapter 4: Engage to Build Cognitive Capacity
