

Tier 2 and Tier 3 Behavior Intervention Data

Our team meets to review students intervention services every 6 weeks. Behavior plans are updated as needed. Below are some samples of student point sheets, and graphed data used to progress monitor behaviors and the response to tier 2 and tier 3 data.

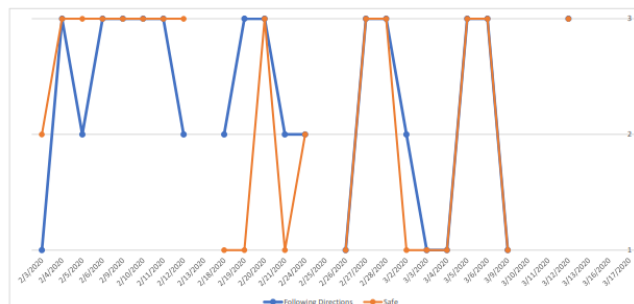

We do have specific tier 2 and tier 3 plans for each student (this has student personal information on it)

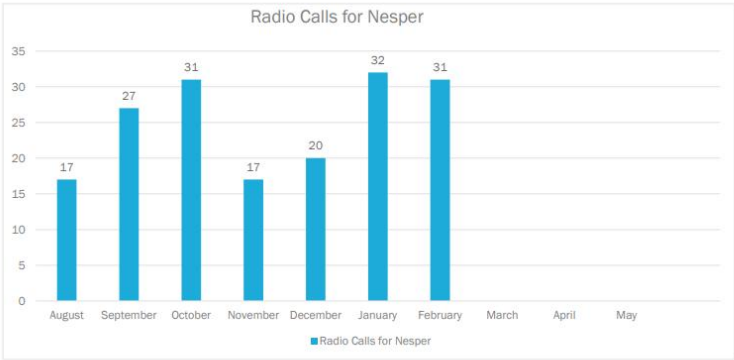

Our discipline committee meets monthly and reviews any concerns that teachers may have.

There are samples of the types of data that is reviewed in each discipline committee meeting monthly.
