

Beachland Elementary – 2.10 District will work with schools to conduct a review of In-school programs and support school's development of actions to improve outcomes.

*Beachland has not previously had an ISS program, nor intends to use ISS as a consequence

At Beachland Elementary, students are temporarily removed from the classroom or offered a thinking space to reflect and then rejoin the class. For the 2020-2021 school year, guidance counselor will provide social emotional support to get to the root cause to keep students in the classroom.
