Subject: open positions

Hi Dr. Suit,

I have two positions that could be filled immediately if given the opportunity. Specifically, a candidate that would improve the school diversity would be greatly appreciated!

I currently have two openings: ESE teacher and 4th Grade. The ESE position is recent – the teacher was given an district coaching job in Orlando near her family. The 4th grade position has had a long-term sub all year.

I need to have a teacher in place by March 30th for the ESE position. It was posted, but it was recently removed. Can you let me know what I can do to have the position filled by the end of the month? I was hoping to begin interviews next week.

If you have any candidates for either position, please let me know.

Sincerely,

+*Scott Simpson*
