David K. Moore, Ed.D. - Superintendent

---

The Superintendent has instructed staff to attend the Equity Committee meeting as needed. Specifically, staff must be present and prepared to speak when the agenda contains an item that pertains to their department.

Members from the Human Resources Department, Strategic Planning and Support Services, Curriculum and Instruction, Finance, and the Deputy Superintendent have attended the Equity Committee meetings through April. These departments will continue to attend in the future.

During the meetings, staff addressed the Committee on topics such as recruitment, hiring practices, student data, professional development, and community events.
