**School/Department:** Curriculum & Instruction

**Action Step #  
and Description:**  
(If more than one action  
step is evidenced here,  
please include all action  
step #'s and a brief  
description of each.)

Action Step 1.1 – Culturally Responsive Instructional Strategies & Practices; Provide professional development to administrators, instructional staff and teachers related to culturally responsive instructional practices and strategies for working with African American male and female students.

**Explanation of  
Evidence:**

Professional development is being provided to schools as they request it for their staffs. The Alternative Center for Education requested Culturally Relevant Teaching & the Brain on October 29, 2020.

**Results of Action  
Taken:**

As of a result of the request, 13 faculty members along with the principal were trained in Culturally Responsive Teaching during their PD time.

**Reflection:**

The staff and principal were attentive and participating in the activities to further influence their teaching and build relationships with their students.
