**Date:** 10/18/2020

**School/Department:** Glendale Elementary

**Action Step  
(number and  
description):** 1.4 Targeted Reading Interventions

**Evidence of Progress  
Monitoring  
(Please include  
narrative/description  
of the action taken.  
Where applicable,  
please include all  
measurable data.)**

The current data shows that for our brick and mortar African American students we have 7 out of 8 or 87% of students who have not met kindergarten readiness according to FLKRS. 1st grade students had 5 out of 7 or 71% not meeting standards and 2nd grade had 5 out of 6 or 83% not meeting standards. The students are currently in intervention groups and will be monitored for progress during data chats and team planning.

**Results of Action  
Taken:**

Groups and data will be reviewed each week by the teacher during RTi, monthly by the Leadership and teachers together and quarterly by the interventionist.

**Reflection:**

We will be monitoring these students closely and look forward to helping them close the gap. We also will be looking to enlarge our after-school program for students as we move into November.
