Date:

11/18/2020

School/Department:

Treasure Coast Elementary

**Action Step #
and Description:**
**(If more than one action
step is evidenced here,
please include all action
step #'s and a brief
description of each.)**

1.4 Targeted Reading Interventions

**Explanation of
Evidence:**

Using iReady Diagnostics and other schoolwide data collection (FLKRS, DIBELS, Running Records), each grade level met with school leadership to use data to place students in targeted reading interventions. After 6 weeks of Tier 2 Reading Interventions, Tier 2 data meetings are scheduled for 11/17/20 and 11/19/20 to determine effectiveness of interventions and changes. Additionally, students are identified for Tier 3 Intensive Reading Interventions as needed, being taught by a Reading Endorsed teacher. The attached evidence are Reading Interventions for 1st & 2nd Grade, with changes to groups to be determined this week.

**Results of Action
Taken:**

All reading interventions are in place for Kindergarten through 5th Grade, including materials, instructors, data monitoring, and fidelity checks.

Reflection:

After reflecting on this item as team, we have decided to finish future school years with a data chat with each grade level. The purpose of the meeting will be to look at end-of-year data and set up Targeted Reading Interventions for the beginning of the following school year. Although "summer slide" affects students differently, this will ensure that we can begin the school year immediately with interventions in place.

Grade 1 Tier 2 Dates: October 5, 2020
