1.5 – Achievement Gap Resource Allocation

--

**Explanation of
Evidence:**

Dodgertown Elementary School participated in the SDIRC Impact Review on Thursday, October 1, 2020. The School Improvement Plan was reviewed. Classes were observed by teams of district and school administrators. An Action Plan is required after each Impact Review to address achievement gap concerns and resource allocation.

**Results of Action
Taken:**

As a result of participating in the SDIRC beginning of year Impact Review, Dodgertown Elementary's Leadership Team met and created an action plan to address any gaps in achievement. And, the "Hacking School Discipline" resource is no longer a necessary expense since the SDIRC has online rights to this resource.

Reflection:

So far, we have attempted to access the online resource to no avail. We will reach out again before purchasing "Hacking School Discipline".
