Action Step # and Description: 1.5 Achievement Gap Resource Allocation
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: Attached to this document is the budget focus the School Improvement Plan for Treasure Coast Elementary for the 2020-2021 school year. Funds are allocated to focus instruction and extended learning opportunities for subgroups, specifically African-American students. *There is no change at this time.

Results of Action Taken: Tutoring began on Monday, October 12th. Students are receiving additional learning opportunities after school.

Reflection: After reflecting on this item as team, we noted that we need to be sure that we are going beyond intentional inviting of African-American students and use the term "recruiting" to increase the number of students that volunteer to join extended learning opportunities.
