Good evening parents, this is Sebastian river Middle School. Yesterday your student was given a flyer, and a permission slip for an opportunity to attend a fun, exciting after school program that will address their learning needs and reading on Tuesdays and or math and science on Thursdays. Transportation is provided buses will pick up at school at 4:15pm to deliver students home. Please talk to your student about this opportunity. And if your child has misplaced their form, please call 5645202, and we will send another form home with your student. Thank you and have a great evening.
