Evidence of Progress Monitoring

Date: 10/20/2020

School/Department: Indian River Academy

Action Step # and Description: (If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Action Step 1.7 - Balancing Student Enrollment  
An intentional focus on strengthening relationships with our African American families will continue this year. The story of what is happening at Indian River Academy will continue to be shared on Facebook and Twitter to help increase enrollment for our school. Currently the enrollment at Citrus reflects:  
IRA 20% African American      District 18%      IRA  
22% Hispanic      District 25%  
IRA 50% White      District 52%  
IRA 6% Multiracial      District 4%  
IRA 2% Asian      District 2%

Explanation of Evidence: District student Enrollment Plan with current school enrollment will be used when Survey 2 and 3 are included, to show percentage of students at Indian River Academy

Results of Action Taken: We will continue to monitor our enrollment throughout the year, as Title One school.

**Reflection:**

Our goal is to continue to focus on creating a balanced student enrollment and attract all students to our campus.
