

## African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County  
#SDIRCStrongerTogether

**Date:** 10/20/2020

**School/Department:** Vero Beach High School

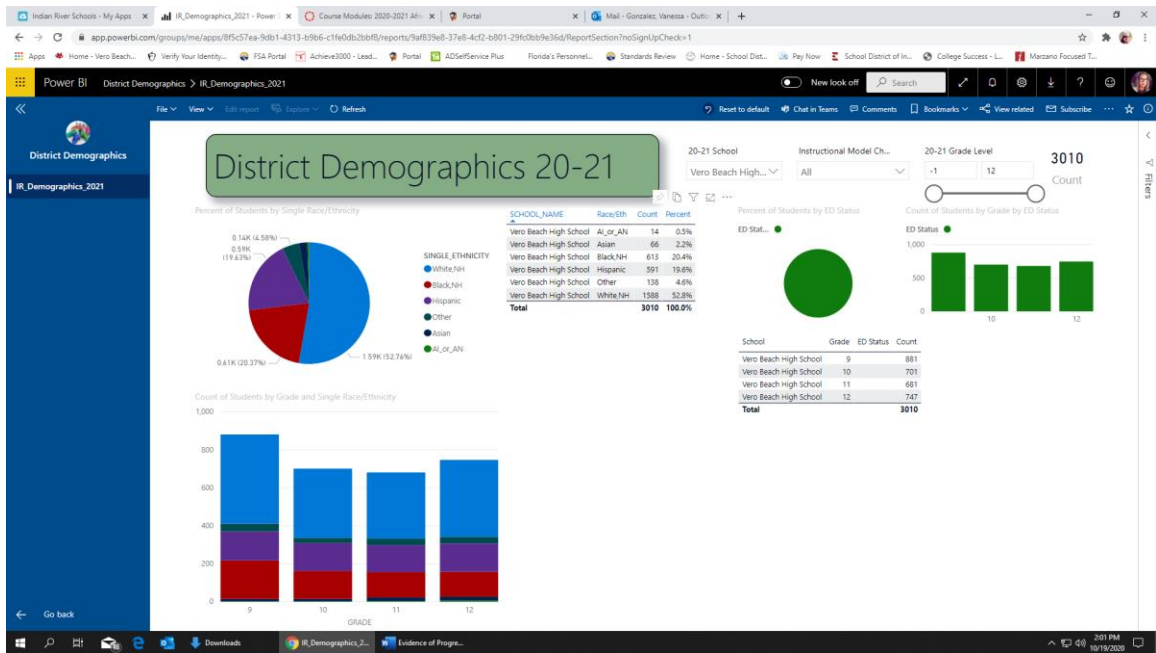

**Action Step (number and description):** 1.7 Balancing Student Enrollment Create and implement a plan to increase balance in student enrollment by race at each school to ensure African American students assigned to individual schools are consistent with the percentage of African American students represented in the District, within a range of plus or minus nine percentage points.

**Evidence of Progress Monitoring (Please include narrative/description of the action taken. Where applicable, please include all measurable data.)** Vero Beach High School enrollment for the 20-21 school year, percentage of African American student enrolled is 20.37% , which is greater than the SDIRC school district combined enrollment of 17.91%. VBHS will be participating in the Virtual School Choice Expo to highlight the unique school choice options available for students.

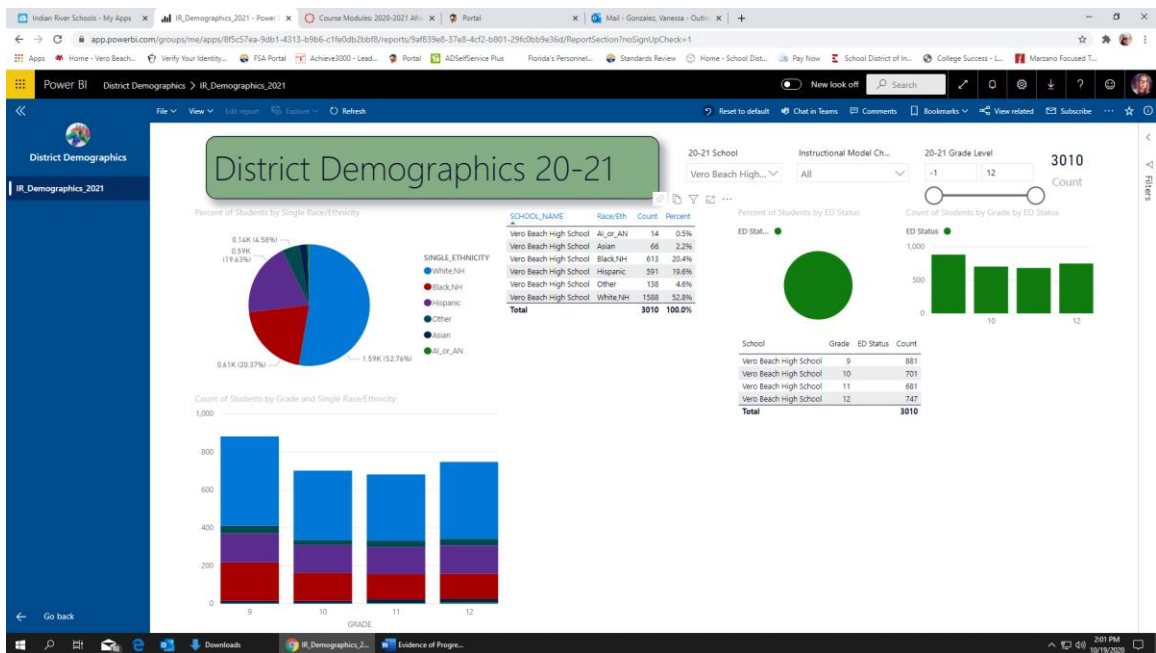

**Results of Action Taken:** Families and students will be able to receive detailed information about VBHS school choice options.
