Following report lists students utilizing transportation services in Indian River County. Also attached is the School Choice Transportation flyer stating that for the 2020-2021 school year all students interested in enrolling in a school of choice have access to transportation.

**Results of Action  
Taken:**

The SDIRC is removing barriers to “choice” schools. By utilizing all current bus stops, students have access to transportation to their school of choice.

**Reflection:**

Monitoring of the use of these bus stops and number of students using transportation to and from choice schools will continue.
