1.15_ACE_Improving Mastery of Standard HCO, C&I and High Schools

Explanation of Evidence:

Common planning is not conducive to the Alternative Center for Education due to the limited number of teachers on our campus. We currently have all core subject area teachers in the following areas ELA, Math, Science, Reading and History. All instructional staff members are given 90 minutes of planning a day. Also, the Alternative Center for Education

Results of Action Taken:

The results of action will be determined in Unit Assessment, Achieve 3000 and I-Ready data, which will be available in the 3rd week of September. The School leadership team will focus our attention on our African-American student population to determine their strengths and weaknesses and remediate any areas of concern.

Reflection:

As the Principal the Alternative Center for Education we will be strategic in our problem-solving steps to ensure that all African -American students are closing the achievement gap by subgroup. We will produce evidence of actionable steps that will enhance
