Explanation of Evidence: The Alternative Center for Education will begin offering after school tutoring from September 21st until the end of the school year on Tuesdays and Thursdays. After school tutoring will be offered to all African-American students as an extended learning opportunity whereas transportation will be made available. Alternative Education teachers will keep rosters of student attendance and submit them to the Principal on a weekly basis.

Results of Action Taken: African-American students will benefit from receiving the additional supports through individualize tutoring, course recovery and remedial activities.
