School/Department: Sebastian River High

**Action Step
(number and
description):**

1.17 School leadership teams (including the Graduation Coach and School Counselors) will monitor African American students who are not on track to graduate (data include early warning indicators [K-12], credits earned, core course failures, FSA 10th Grade ELA results and FSA ALG 1 EOC results) and provide an opportunity to participate in after school and summer extended learning opportunities (ELO). Employ recruitment and targeted resource strategies, including partnering with the community, to increase attendance for African American students in all extended learning programs.

**Evidence of Progress
Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)**

Graduation Coach has created Individual Action Plans for students. We have provided after school tutoring on Tues and Thursdays each week with transportation provided. Unit assessments and grades are being monitored by leadership teams

**Results of Action
Taken:**

Students are being held accountable for academic improvement and school leaders are updating systems of support to keep progress moving forward.

Reflection:

After school tutoring attendance is relatively low so we need to figure out ways to motivate students to attend.
