We have five African American students who are enrolled in Course Recovery during the day: [REDACTED]. Counselors, Graduation Coach, and Success Coach continue to make contact with students bi-Weekly to ensure success and completion.

**Results of Action  
Taken:**

The school counselors will revisit their lists and identify opportunities for more students to have access to school day course recovery.

**Reflection:**

We will continue to ensure equitable access is achieved by all students by providing in and after school opportunities for improvement and recover course failures.
