

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 9/21/2020

School/Department: Vero Beach High School

Action Step (number and description): 1.19 Collaborate with high school principals and graduation coaches to monitor and create an action plan to increase the achievement of identified students for course failures, concordant scores for ELA and Algebra 1, GPA and advanced coursework

Evidence of Progress Monitoring (Please include narrative/description of the action taken. Where applicable, please include all measurable data.) VBHS offers 3 classes during the day for credit recovery. Students are placed in the course at VBHS and use Edgenuity to recover their classes. Students who have opted for Options 2 or 3 have also been placed in Edgenuity credit recovery if they need it. The school also has ongoing access to course recovery after school, so that student access to advanced coursework is not impacted by credit recovery opportunities.

Results of Action Taken: VBHS has initiated the following steps to help identified student recover credit from failed courses, earn concordant scores for ELA and Algebra 1 EOC's, improve GPA's and increase access to advanced coursework: • Three periods of credit recovery offered throughout the day • After school credit recovery offered with transportation provided • Counselors assign classes based off graduation requirements • Laptops handed out district wide for students with no computer access at home • PERT math sessions are scheduled for students that have not met their Algebra 1 Concordant score • PERT tutoring scheduled for upcoming tests • SAT/ACT prep tutoring scheduled for after school with transportation
