

## Evidence of Progress Monitoring

### School District of Indian River County

#SDIRCStrongerTogether

**Date:** 10/20/2020

**School/Department:** Indian River Charter High School

**Action Step #  
and Description:**  
(If more than one action  
step is evidenced here,  
please include all action  
step #'s and a brief  
description of each.)

1.21 Students at IRCHS receive exposure to many different post-high school opportunities in the form of visits from University representatives and military recruiters.

**Explanation of  
Evidence:**

University representatives and military recruiters regularly visit seniors taking part in the school's Senior Seminar Class, as evidenced by the school calendar (University and Military Visits Calendar). Presentations by University representatives and Military recruiters are often motivational. The school also hosts a Veteran's Day Assembly with a motivational speaker (Veteran's Day Assembly Email). The entire Senior Seminar course provides students with the guidance needed to find a path to success after high school and pursue it. Students learn how to prepare a college application, strategies for a successful interview, how to apply for scholarships, how to fill out a FAFSA, and much more.

**Results of Action  
Taken:**

Guidance and Administration closely monitor African American students on track for graduation via several reports generated through FOCUS (A.A. Students Less Than 2.0 GPA, A.A. Students Credit History, A.A. Students Failing One or More Courses). In addition, Homepage teachers conduct individual meetings with their students where they help ensure that students are on track to graduate (Homepage Individual Meeting Form).

**Reflection:**

IRCHS closely monitors and intervenes when African American students, or any students, are not on track to graduate.

Dear Colleagues,

There is an assembly today at 12:00 PM. Please take attendance at the very beginning of your 6th period class and then walk to the dome. Students are sitting on the ground during the assembly. Chairs are reserved for veterans and their families. Even if students do not have a class during 6th period, the assembly is mandatory. Let them know if they ask. The assembly will conclude during 7th period. Students will report to their 7th period class. Please take attendance and class will resume.

This assembly is to honor our veterans. Remind students to be especially respectful during this presentation. Thank you!
