

## African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County  
#SDIRCStrongerTogether

**Date:** 10/9/2020

**School/Department:** Sebastian River High

**Action Step  
(number and  
description):** 1.21 Implement motivational assemblies for students who are not on track to graduate, including Commit 2 Graduation, Hear My Story, etc.

**Evidence of Progress  
Monitoring  
(Please include  
narrative/description  
of the action taken.  
Where applicable,  
please include all  
measurable data.)** We are working with stakeholders to identify additional motivational speakers. A speaker from Herff Jones did come speak to our seniors and juniors to speak with them to motivate them to "Finish Strong" as they get closer to graduation. The evidence below is an email to teachers on the day of the presentation.

**Results of Action  
Taken:** Students were very excited during and after presentation. We also utilized this time to have students order graduation items, which also helped to inspire and motivate them to finish strong.

**Reflection:** We will continue to hold assemblies to motivate all students. However, we are working on getting several speakers to come and speak specifically to our African American students.
