

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 11/9/2020

School/Department: Strategic Planning & Support Services

Action Step (number and description): 1.24 – Review and make needed changes to enrollment criteria to increase availability of advanced and accelerated courses in middle & high school.

Evidence of Progress Monitoring (Please include narrative/description of the action taken. Where applicable, please include all measurable data.) The attached evidence shows the PowerBI Dashboard that was developed to provide information on enrollment in accelerated coursework in middle school.

Results of Action Taken: The PowerBI Dashboard was introduced to Cabinet Level Leadership during the Data Briefing on 10.29.20. A high school acceleration dashboard is currently in development.

Reflection: The ability to access “in-the-moment” data related to course acceleration will support the expanded identification of students for enrollment in accelerated coursework.
