Universal screening results have been reviewed and we had a total of 39 students scoring in the data range outlined for screening by the district. Here is the breakdown of the students-K-7 students, 1st-14 students, 2nd-6 students, 3rd-3 students, 4th-5 students, and 5th-4 students. Ethnicity breakdown-White 27, Hispanic 6, African American 2, Asian 4.

Results of Action Taken: Testing will begin the week of November 16th and results will be reviewed once testing is completed.

Reflection: The school counselor has created a plan to get testing done and will be sharing results with Administration during the process. We will also need to continue to look at incoming students as the year progresses in order not to miss an opportunity with new students.
