**Action Step
(number and
description):**

1.25 Universal Screening for Gifted Identification

School counselors will implement universal screening for gifted identification for all students prior to 4th grade across all District elementary schools utilizing procedures outlined in the state-approved District plan for increasing underrepresented populations in gifted.

Progress
Monitoring
(Please include
narrative/descripti
on of the action
taken. Where
applicable, please
include all
measurable data.)**

Universal Screening Implementation Results

Students to be screened for gifted will be identified using data from the iReady Fall Reading and Math Diagnostic (K-5th), DIBELS Beginning of Year Data (K – 2nd) and Teacher/Parent Recommendation (K-5th). The school counselor will use the procedures outlined in the state-approved District plan to screen students while monitoring the demographic data of those screened to insure fidelity and equal access.

**Results of Action
Taken:**

Identified students are still in the screening process. Nothing has changed since the 10/20 submission.

Reflection

After the Winter iReady Diagnostic and DIBELS assessments are given, list will be re-examined for additional screenings.
