**Date:** 10/20/2020

**School/Department:** Liberty Magnet

**Action Step  
(number and  
description):**

1.25 - Universal Screening for Gifted Identification...School counselors will implement universal screening for gifted identification for all students prior to 4th grade across all District elementary schools utilizing procedures outlined in the state-approved District plan for increasing underrepresented populations in gifted.

**Evidence of Progress  
Monitoring  
(Please include  
narrative/description  
of the action taken.  
Where applicable,  
please include all  
measurable data.)**

Our new school counselor was trained in the administration of the Universal Screening Implementation (KBIT). She will maintain a spreadsheet indicating the screening based on their racial subgroups. (Attached) Each month she will use student data during data meetings to identify students eligible for the screener based on the screening protocol and Plan A and Plan B criteria.

**Results of Action  
Taken:**

Successful record keeping identifying sub-group representation

**Reflection:**

With appropriate sub-group identification, there will be more advantages for enrichment opportunities for our African American student.

**Current gifted referrals for September and October.**
