**School District of Indian River County**  
**#SDIRCStrongerTogether**

**Date:** 9/30/2020

**School/Department:** Strategic Planning & Support Services

**Action Step #**  
**and Description:** 1.26  
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

**Explanation of Evidence:** Schools with less than five students who have met eligibility for Gifted Services have been identified. Program Specialist for Gifted Services provided Director of Innovation a list of the schools who have been identified. Program Specialist for Gifted Services provided a training via Microsoft Teams to ESE Resource Specialists regarding Tiered supports for enrichment in elementary schools that have low numbers of gifted identified students on September 23rd, from 12:30 to 1:30 pm.

**Results of Action Taken:** The Program Specialist for Cultural Responsiveness and Gifted Services provided 1st training to RS's introducing Tier 2 gifted enrichment and Tiered Supports. A follow up training on Tier 2 gifted enrichment referral process is underway.

**Reflection:** RS's were receptive to Tiered enrichment support and opportunity. Five schools have been identified as having 5 or less students who have been identified as gifted eligible. PS will be offering additional TA training to RS's. It is hypothesized that many students, especially our marginalized students, will have enrichment opportunities that will have a direct positive impact on their learning experiences (including higher levels of engagement, higher level thinking opportunities, and greater rigor).
