

## Evidence of Progress Monitoring

School District of Indian River County

#SDIRCStrongerTogether

**Date:** 9/30/2020

**School/Department:** Indian River Charter High School

### Action Step #

#### and Description:

(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

1.29 Schedule events to provide African American parents, guardians and students with information on advanced coursework, dual enrollment, graduation pathways, scholarship information and strategies for academic success (i.e. workshops, website, parent conferences, SAT and ACT information).

### Explanation of Evidence:

IRCHS will continue the practice of referring all stakeholders to helpful resources via the school website and social media. IRCHS will continue to diligently advertise open houses at the school. IRCHS will continue holding an 'SAT School Day' annually. On this day, any student who signs up can take the SAT during the school day at school. All sophomores also take the PSAT at school for free. IRCHS will ensure that all students have equitable access to the 'SAT School Day' and 'PSAT School Day'. IRCHS hosts 'Senior Parent Nights' twice a year to ensure that parents are educated regarding graduation pathways, opportunities for scholarships, and application procedures for colleges. These nights were advertised via email, the school website, and social media (Senior Parent Meeting Email).

### Results of Action Taken:

Due to the current pandemic conditions, Senior Seminar teachers created a Senior Parent Night Video for the first Senior Parent night of 2020-2021 (Senior Parent Meeting Video). Topics covered in the video were: filling out a FAFSA, connecting with scholarship resources, dual enrollment opportunities, local state college opportunities, certificate programs, and more.

### Reflection:

The school plans to create more opportunities for parent education in the future.

## Senior Parent Meeting Email

Attention seniors:

The Senior Parent Meeting video is up on the IRCHS Senior Page. It's full of amazing information that you and your parents need to be aware of, including IRSC programs and applications, Scholarship Foundation of Indian River County, FAFSA, college deadlines, and much more!

Please listen to it, tell your parents to listen to it and/or listen to it with them!
