

## Evidence of Progress Monitoring

School District of Indian River County

#SDIRCStrongerTogether

**Date:**

9/30/2020

**School/Department:**

Indian River Charter High School

### Action Step #

#### and Description:

(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

1.33 Develop a summer program to support and prepare African American secondary students for advanced courses. Evidence of Progress Monitoring: Principals and school counselors will identify African American students who are offered advanced program summer courses. Number and percentage of African American students who enroll in advance coursework summer programs.

#### Explanation of Evidence:

Administration will work with the guidance counselors to identify African American students who are interested in and eligible for advanced program summer courses. These courses will be offered through Florida Virtual School and Indian River State College.

#### Results of Action Taken:

African American students who may be available for advanced courses over the Summer have been identified. Guidance counselors will schedule individual appointments to discuss opportunities with students.
