**Evidence of Progress
Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)**

Since students finished the year remotely summer programs were not offered. We have planned for students to use "On Ramp to Algebra" through Math Nation to prepare them for Advanced coursework in math. Additionally, students have access to iReady throughout the summer to support both reading and math skills

**Results of Action
Taken:**

Flyers will be made and sent to all students prior to the close of the school year with access information. Guidance counselors will identify Black or African American students to provide this opportunity to in order to be prepared for advanced coursework. This information will also be shared in our Newsletters and social media

Reflection: We anticipate raising the number of Black or African American students in advanced classes
