

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 9/21/2020

School/Department: Treasure Coast Elementary

Action Step # and Description: 1.36 Advanced Coursework
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: Beginning on Monday, October 5th, all students will participate in a block of time referred to as "ELEVATE" during the school day. Using multiple sources of data, students that are performing below the 20th percentile will be receiving Intensive Instruction in ELA or Mathematics. All other students will participate in Enrichment, geared towards advancing our higher-achieving students. Attached is the scheduled – please note the gold blocks of time.

Results of Action Taken: This enrichment time will take place beginning October 5th.

Reflection: When enrichment begins, student names will be collected and compared to schoolwide percentages to ensure that an equitable number of students have opportunities for enrichment by subgroups, specifically including African-American students.
