

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 11/18/2020

School/Department: Treasure Coast Elementary

Action Step #
and Description: 1.36 Advanced Coursework
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: Beginning on Monday, October 26th, all students participate in a STEAM-based enrichment during the school day. Using multiple sources of data, students that are performing below the 20th percentile receive Intensive Instruction in ELA or Mathematics. All other students participate in Enrichment, geared towards advancing our higher-achieving students. Attached is the scheduled – please note the gold blocks of time.

Results of Action Taken: This enrichment time began October 26th.

Reflection: When enrichment begins, student names will be collected and compared to schoolwide percentages to ensure that an equitable number of students have opportunities for enrichment by subgroups, specifically including African-American students.
