

Evidence of Progress Monitoring
School District of Indian River County
#SDIRCStrongerTogether

Date: 10/19/2020

School/Department: Wabasso School

Action Step #
and Description: 1.38 School Level Data Chat Regression Review
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: Data chats occur every other week by program model. FSA, FSAA and Transition are the current focus models. During those chats we discuss student progress, determine interventions if needed and exchange current data to identify trends in learning.

Results of Action Taken: Academically focused classrooms

Reflection: Previously we strictly focused on behaviors. Now we are shifting that focus to academics, academic instruction and student academic outcomes in addition to behavioral outcomes.

Wabasso Data Chat Agenda

September 29, 30, Oct.1

Tuesday- FSA

1. Student Goals
